British Columbia

Canada's westernmost province is set between the Pacific Ocean in the west and the magnificent Rocky Mountains in the east. Blessed with breathtaking landscapes, BC is home to a geographical diversity that lends itself to a vast array of activities and adventures. There are mountains to climb, rivers to run, beaches to comb, forests to hike, parks to stroll and warm summer lakes to laze about on.

The province generally enjoys a temperate climate but where there are mountains, there is snow. Renowned for its world-class ski terrain, BC is still bustling with energy after hosting the Vancouver 2010 Olympic and Paralympic Winter Games. Come share the excitement and visit BC this summer.

Alberta

The province of Alberta's grandeur and beauty are obvious from the moment of arrival. Rolling foothills, intimidating mountains and prehistoric hoodoos are few of Alberta's many distinct natural landmarks.

Most impressive are the Rocky Mountains, which are home to some of the most spectacular scenery in the world. View emerald lakes, snow-capped mountains, diverse wildlife and experience an array of adventure activities in the world famous National Parks of Banff & Jasper.

Meander through the quaint mountain villages and take in local art galleries, boutique stores and a variety of cuisines to suit all tastes. Indulge in world-class shopping, dining and entertainment at West Edmonton Mall.

Join ranchers as they herd cattle through picturesque hills on a ranch stay. Alberta offers many unique vacations ideas for families, friends and couples.
