Anderson Vacations has five guaranteed departure dates for their Alaska and Yukon tours in 2010. Ranging from June to August there are 3 different tour options to suit every client. For travelers wanting to travel by coach for the entire duration they have the Alaska and the Yukon Full Circle 21 day tour. For clients wishing to see Alaska by both coach and cruise they offer the 20 day Alaska and the Yukon Land and Sea Tour. Or for those clients with a shorter amount of time there is always the 12 day Alaska and Yukon Explorer fly option which provides land content from Whitehorse.

Whichever option your client chooses to go with you can rest assured that they will be traveling in absolute comfort and luxury aboard Anderson Vacations SUPERCOACH. This state of the art motor coach was converted from a 56 passenger coach down to only 44 seats. All 44 leather seats recline and offer extra leg room and space for all passengers aboard the coach.

Other unique features include the galley at the back of the coach that allows food and beverages to be served onboard the coach, as well as Satellite TV, Wi-Fi Internet Access, and radio.

If clients are traveling this year to the Alaska and Yukon why send them any other way but onboard the luxurious SUPERCOACH with Anderson Vacations.
