Banff National Park

Banff National Park, Canada's first national park, is a destination that delivers a healthy combination of unspoiled and protected wilderness and world-class luxury amidst rugged splendour. The mountain communities of Banff and Lake Louise offer a combination modern amenities, fine dining and sensational shopping with abundant opportunities for active exploration and adventure.

Banff

Nestled high in the Canadian Rockies, Banff is a town that makes you feel at home and exhilarated with wonder all at the same time. There is no other place in the world where you can find a vibrant community nestled in a 6,641km² national park. This is a town that truly celebrates its heritage, lives and breathes mountain culture and never takes its backyard for granted. With modern amenities and more than enough accommodations, restaurants and activities to choose from, Banff is a premier destination for authentic hospitality, mountain culture, relaxation and amusement.

Lake Louise

Lake Louise has become symbolic of the quintessentially Canadian mountain scene. This alpine lake, known for its sparkling blue waters, is situated at the base of impressive glacier-clad peaks that have long been at the heart of Canadian mountaineering. Located nearby, Moraine Lake, with its indigo blue waters surrounded by the Valley of the Ten Peaks, is another one of Canada's most iconic lakes. For vacationers seeking the purest of alpine experiences, Lake Louise is a protected mountain destination that is located in close proximity to world-class hotels, postcard perfect lodges, dining options and both summer and winter activities.
