## QUÉBEC

The largest province in Canada and the center of French culture in North America, Quebec is also renowned for its heritage, fine cuisine and legendary welcome. Quebec's two gateways are also its liveliest cities and where its heritage is the richest. While the province is three times the size of Texas and offers countless travel opportunities, we are focusing on areas where the activities are at its more intense and easy of access: Montréal and the Laurentians, Quebec City and the Outaouais region.

**Montréal:** The largest city in the province Montreal has everything a big city can offer and yet remain convivial. Montréal is one-of-a-kind-a multicultural city blending French with over 80 other ethnic communities, charming visitors with its Euro-American ambiance.

**Mont-Tremblant and the Laurentians:** With the largest concentration of resorts in Northern America, the region is also known as Montrealers' playground. Of all these resorts, the best known is by far Mont-Tremblant, owned and operated by Intrawest. Wedged between a mountain and a lake, Mont-Tremblant offers year round activities and is located next to the Southern gate of a major national park

with great hiking and canoeing opportunities.

Quebec city: A World heritage gem and the only fortified city north of the Rio Grande, nothing beats Quebec City especially when it's just like Old Europe. As you explore the winding side streets, on foot or even in that horse-drawn carriage there will always be romance. Take a stroll into the past and present of this city's oldest neighborhoods, like Pe Champlain, Place-Royale and the Old Port. Even though this Capital city has a wealth of history, the year-round activities are truly up to date! Winter Carnival and summer festival, theatres, exhibitions and not to mention that the accommodations and dining are top notch.
