Québec

The largest province in Canada and the center of French culture in North America, Quebec is also renowned for its heritage, fine cuisine and legendary welcome. Quebec's two gateways are also its liveliest cities and where its heritage is the richest. While the province is three times the size of Texas and offers countless travel opportunities, we are focusing on areas where the activities are at its more intense and easy of access: Montréal and the Laurentians, Quebec City and the Outaouais region.

Montréal : The largest city in the province Montreal has everything a big city can offer and yet remain convivial. Montréal is one-of-a-kind-a multicultural city blending French with over 80 other ethnic communities, charming visitors with its Euro-American ambiance.

Mont-Tremblant and the Laurentians : With the largest concentration of resorts in Northern America, the region is also known as Montrealers' playground. Of all these resorts, the best known is by far Mont-Tremblant, owned and operated by Intrawest. Wedged between a mountain and a lake, Mont-Tremblant offers year round activities and is located next to the Southern gate of a major national park with great hiking and canoeing opportunities.

Quebec city : For a treat of old Europe this side of the Atlantic, nothing beats Quebec City, a world heritage gem

and the only fortified city in North of the Rio Grande. As you explore the winding side streets, on foot or in a horse-drawn carriage, the romance of the city will get you. Curious about the past, stroll through its oldest neighbourhoods, like Petit Champlain, Place-Royale and the Old Port. Even though this capital city is steeped in history, the year-round activities are truly up to date: winter carnival and summer festival, theatres, exhibitions...and, just as elsewhere in the province, the accommodations and dining are top notch.

The Outaouais region is located on the Ontario-Quebec border, right across the river from Ottawa, Canada's Capital, and only two short hours from Montreal. As the entrance to the province of Québec, the Outaouais effortlessly blends city excitement and the wonders of nature with its four-season lineup of activities. Visit our national museums, discover our first class attractions, enjoy a memorable evening at the casino or on our steam train, have a taste of our local cuisine, explore the exceptional Gatineau Park or the enchanting countryside located minutes from downtown...Whatever you chose to experience, we'll make sure to create unforgettable memories for you. Outaouais, live it!

DON'T FORGET YOUR TRAVEL INSURANCE!

We strongly recommend that you purchase travel insurance. We understand that when you are travelling you don't want to worry about a thing, but events can happen, even to well prepared travellers. You may have to cancel your trip at the last minute to tend to a family emergency or you may need medical assistance when you are away. Your baggage may go missing, or there may be damage to your personal property. We want to ensure that prior to, or while you are travelling you have the comfort of knowing you will be looked after in most unforeseen circumstances.

Why we recommend travel insurance:

- * Protect your travel investment from unforeseen emergencies with Trip Cancellation and Interruption Insurance
- * Protect yourself with Emergency Medical Insurance you can count on, no matter where you are travelling in the world
- * Protect your valuables with baggage and personal effects insurance

Consider the following situations:

1. If I become ill or injured while travelling, will my personal health insurance cover my emergency expenses while travelling, including ambulance, x-rays, wheelchairs, prescriptions?
2. If my luggage was delayed could I manage at my destination for more than a day?
3. If I have to cancel my trip before travelling due to an injury would I receive a refund?
4. How much would a family member have to pay to come to my bedside if I was hospitalized for several days?
