ANDERSON VACATIONS HAS SUCCESS AT NTA WITH THEIR "SUPERCOACH"!

From November 12<sup>th</sup> to 19<sup>th</sup> at the National Tour Association Conference in Reno, NV Anderson Vacation's showcased their latest "Supercoach" on the trade show floor in partnership with Travel Alberta and Golden Arrow Motor coach. Through this partners with Golden Arrow a motor coach company out of Edmonton, AB Anderson has completely re-vamped a 2010 MCI motor coach. One of the biggest changes was taking the seating capacity from 56 to 44 allowing increased leg room and comfort for each guest. Equipped with leather reclining seats, satellite TV, Wi-Fi Internet Access, radio and a galley for food and beverages this coach makes for a truly luxurious travel experience.

"Our latest SUPERCOACH displays Anderson's brand message particularly well," says Corey Marshall, President/CEO of Anderson Vacations. "There is no mistaking the destinations we sell, and the guest experience we seek to provide when you have the ability to view or even ride on this coach"

In order to give fellow travel industry professionals a true picture of what it was like for clients to travel in the Supercoach Anderson Vacation's decided to display it on the floor at this year's NTA Conference. The response was so positive that Anderson Vacation's has already confirmed 3 groups for 2010 on the Supercoach. Clients who also choose to book on the Alaska and Yukon Guaranteed Departure series will also be traveling on a Supercoach in 2010.

The Alaska & Yukon series passengers were the first to use a Supercoach coach this past summer and clients on the tour had only positive feedback to give. Anderson Vacation's offer 3 different Alaska and Yukon tours for guests to choose from. The Alaska & Yukon Land and Sea tour a 20 day tour which incorporates motor coach travel with an Alaskan Cruise, the Alaska & Yukon Full Circle Tour which is a comprehensive 21 day motor coach tour and the Alaska & Yukon Explorer a 12 day tour for clients with less time to travel.
